

Basudev Rout

DATABASE ADMINISTRATOR, PRODEVANS TECHNOLOGIES

+91 7735121328
basudevROUT2001@gmail.com
<https://rbasu.in>

I have strong hands-on experience in MySQL, PostgreSQL, and EDB, focused on building and managing reliable, high-performance database systems. Experienced in designing and maintaining cluster setups, including MySQL InnoDB Cluster and EDB replication, ensuring high availability and fault tolerance. Skilled in database architecture, performance optimization to handle enterprise scale production workloads efficiently. Proficient in conducting root cause analysis (RCA) for production issues and implementing long-term fixes. Well planned disaster recovery planning, backup and restore strategies, and maintaining data integrity across environments. Comfortable working in Linux environments with shell scripting to automate routine operations and improve overall system efficiency.

PROFESSIONAL EXPERIENCE

Database Administrator, MySQL, EDB, Postgres, MongoDB

Prodevans Technologies, Bhubaneswar

Aug 2025 - present

- Designed and implemented High Availability (HA) clusters like MySQL InnoDB Cluster, MySQL NDB Cluster, and EDB Postgres HA, reducing unplanned downtime by 70% and ensuring 99.999% uptime
- Managed clustered and standalone production databases including MySQL, PostgreSQL, EDB and MSSQL
- Automated backup strategies, reducing backup execution time by 40% and improving recovery time objectives by 50%
- Monitored and optimized database performance, improving query response times by 35% and reducing slow queries by 60%
- Enforced robust data security via access controls, encryption, and authentication, leading to zero security incidents and full compliance with internal audit standards

Database administrator, MySQL, Postgresql

Omnilink Technology, Bhubaneswar

April 2023 - Aug 2025

- Installation, configuration, and upgrade of MySQL, PostgreSQL, and EDB Postgres Advanced Server
- User, role, and privilege management with strong security practices. Routine health checks, log monitoring, and system audits
- Load balancing using PgBouncer, MySQL Router and Cluster scaling (vertical & horizontal)
- DR planning across regions/data centers with defined RTO/RPO
- Configuration tuning , Real-time alerting on CPU, memory, disk I/O, replication lag, and query performance

Jan 2023 - April 2023

VMware administrator trainee

Printlink India, Bhubaneswar

- Assisted in managing and maintaining virtualized infrastructure using VMware vSphere, including VM provisioning, resource allocation, basic monitoring, and supporting backup and recovery operations to ensure system availability and performance.

Aug 2019 - Jan 2023

Fullstack Developer, Freelancing

Developed and deployed full-stack web applications, handling end-to-end development including backend APIs, frontend.

EDUCATION

B.Tech CSE

BPUT

Diploma in IT

SCTE & VT

CERTIFICATIONS

Oracle Certified Professional, MySQL

8.0 Database Administrator

June 06, 2025

DATABASES

- MySQL (InnoDB, Replication, InnoDB Cluster)
- PostgreSQL & EDB Postgres Advanced Server
- Database Installation & Configuration
- Backup & Recovery (Full, Incremental, PITR)
- High Availability & Replication
- Performance Tuning & Query Optimization
- Indexing & Schema Design
- Root Cause Analysis (RCA)

TOOLS

- mysqldump, MySQL Enterprise Backup
- pg_dump, pg_basebackup, WAL archiving
- Percona Toolkit, myslslap
- pgAdmin, MySQL Workbench
- Prometheus & Grafana
- Slow Query Logs, Performance Schema

OS & SCRIPTING

- Linux (Ubuntu/CentOS/RHEL/Windows server)
- Shell Scripting (Bash), Python

Oracle Certified Professional

Certificate of Recognition

Basudev Rout
OracleCertifiedProfessional, MySQL 8.0 Database Administrator

This certifies that the above named is recognized by Oracle Corporation as Oracle Certified.

June 06, 2025

Date

A handwritten signature in black ink, appearing to read "D. Carey".
